

## GLAMOURFIED *By Lizi*

Congratulations and thank-you so much for enquiring with me. I am so glad you're giving me the opportunity to make your bridal makeup dreams come true.

Just recently I won Bridal Makeup Artist of the Year for Victoria 2018. I am so proud to have won this award as I do my absolute best to make sure my brides are 110% happy with their makeup and services throughout the process of us working together.

So you can get to know me a little bit better I will inform you of my work history and qualifications:

- I have been in the beauty industry for over 10 years.
- I have a Diploma in Beauty Therapy and I studied at Elly Lukas Beauty College.
- I have worked in salons, day spas, and also had my own salon for 6 years, so I have a broad range of experience with different skin types and facial structures.

In the last 10 years I have continued to further my makeup education by investing in new courses every year to help me keep up with the trends and demands of our ever changing society.

Some of the courses I have done have involved training with famous makeup artists such as:

- Napoleon Perdis
- Mia Connor
- Rae Morris
- Makeup by Lilit (American makeup artist)
- And most recently Australia's most successful Bridal Makeup Artist (based in Sydney) Melissa Sassine

Makeup is my passion and so are weddings.

It is my job to make you FEEL and LOOK absolutely amazing on your wedding day, whether that is just enhancing your natural features or completely glamming you up!

## BRIDAL PRICES

**TRADITIONAL MAKEUP:** \$130

**TRADITIONAL WITH AIRBRUSH SET:** \$150

These prices include premium FAUX MINK lashes. RRP \$30-\$40

**MOTHER OF THE BRIDE:** ranges from \$100-130

**FLOWER GIRLS:** FREE

---

### AIRBRUSH SET:

This is a special silicone based foundation that is sprayed from a special machine over the entire face.

This process helps to lock the makeup in and gives it more longevity throughout the day. It helps to absorb any oils that may come through the skin and it also gives a flawless finish. I highly recommend all brides have airbrushing as it looks absolutely stunning and is a point of difference to just the traditional makeup.

## TRIALS

All trials must be done throughout the week or on a Sunday. As I have weddings booked in every Saturday I cannot allocate enough time to your trial and I want to be fresh minded when consulting with you.

Trials can take from 1 hour to 1.5 hours. Please make sure you're on time so I can consult with you properly.

I take brides very seriously and I want to make sure I understand exactly what you're wanting.

Please bring screen shots of the style of makeup you would like.

I also suggest to come with a fresh spray tan if you're going to be tanned for your special day. This way you can get a true visual of how your makeup will look with your tan. I advise this as makeup will look completely different when you're a couple of shades lighter. This gives you a chance to have a tan trial also.

**TRIAL: TRADITIONAL MAKEUP:** \$110

**TRIAL: TRADITIONAL WITH AIRBRUSH SET:** \$130

TRIALS ARE DONE FROM MY HOME IN DEVON MEADOWS.
